& INDUSTRIAL
PRODUCT LLC

Industrial Cleaning Solution

A professional-grade cleaning solution, engineered to deliver maximum cleaning efficiency with minimal environmental impact.

Developed using sustainable chemical technology, our products are designed to meet the demanding needs of industrial, commercial, and institutional environments.

Key Features

- ✓ Sustainable Chemical Formulation
- ✓ High Cleaning Efficiency
- ✓ Industrial-Grade Performance
- ✓ Safer for Users & Surfaces
- ✓ Versatile & Cost-Effective

Multimax Cleaner

One solution for multiple surfaces

Multimax Cleaner is a high-performance, environmentally responsible cleaning solution designed for daily cleaning across a wide range of surfaces.

Key Advantages

Cuts through dirt, stains, and daily grime

Safe for floors, walls, tiles, plastics, metals, and painted surfaces

Ideal for routine cleaning and maintenance
