Helix DuraShield®

Why Helix DuraShield™?

Give your building long-lasting beauty, protection, and reduced maintenance with Helix's advanced USA-formulated coating technology.

Core Benefits at a Glance

- Anti-Graffiti Barrier – Wipes clean without staining.
- Anti-Fungus & Anti-Mold Defense – Ideal for tropical climates.
- Anti-Sticker Technology – Stickers peel off effortlessly.
- Rain-Activated Self-Cleaning – Surfaces stay clean naturally.
- Long-Term Color Stability – Less than 20% fading over 10 years.
- 10-Year Warranty – Guaranteed performance by Helix Chemical.

Ideal for These Applications

- Commercial & retail façades
- Government & municipal buildings
- Schools, hospitals, public facilities
- Residential high-rise & gated communities
- Car parks & high-traffic zones
- Infrastructure and transit stations

Technology Driven Performance offering

- Superior UV & weather resistance
- Water-repellent yet breathable surface
- Strong adhesion to concrete, GRC, etc
- Good resistance to acid rain & pollution
